Dear Sir:

The Wilkes-barre Miners, a fast travelling Semi-Pro Club of minor-league stars representing the coal fields of N. E. Pennsylvania, would like to book a game with your club. We are having a fine season, winning 45 of the last 50 games played.

Our team also puts on an act with coal miners' helmets and lamps before the game.

Please reply immediately, stating open dates, guarantee, or terms.

Very truly yours,

Ike Boston
